

Diana King has been a UU since 1981.

She has been a member of UU churches in Maryland, Colorado, Texas and now Arizona.

She is a “team player” and has helped run the BUU Auction for the last six years.

Professionally, she was a technical systems analyst and Project Manager for thirty years.

She streamlined Federal systems across 26 Federal grant-making agencies.

She feels she is good at developing consensus and providing technical support and innovative ideas.
